For registered ponies to be ridden by Junior Members.

The course is divided into two sections. The first or power section consists of five to seven obstacles of progressively increasing severity designed to test power and precision at each obstacle individually. This section is jumped as an Accumulator competition in accordance with Rule 274 not against the clock with a time limit of two minutes. On completion of the power section the bell will be rung if the competitor has NOT scored the maximum possible number of points over this section. The competitor must then retire. If the bell is not rung, the competitor proceeds straight to the second, or speed, section of the course. This consists of six to eight obstacles to be jumped under Table A4 or Table C. Speed 400m per minute outdoors and 350m per minute indoors. Ponies, 350m per minute indoors and outdoors. The start and finish must be indicated separately for each section. Finish of power section to be start of speed section. Automatic timing is only obligatory for the speed section. The competition is decided by faults and time over the speed section. In the event of insufficient competitors reaching the speed section, minor placings are decided by the highest number of points scored over the power section. If no competitor reaches the speed section and in the event of equality of points over the power section, there will be a jump-off over the speed section to decide the winner.
