In the event of insufficient entries lower prizes will be withheld. Rule - 76.6

For registered horses to be ridden by Adult, Associate or Junior Members.

The course for this competition comprises six vertical obstacles placed in a straight line with two non-jumping strides between each obstacle. In indoor arenas the first two obstacles may be placed on one straight line and the last four obstacles on a different straight line. The top element and fill of each obstacle must be poles only.

No obstacle may be set at a lower height than the obstacle preceding it.

The competition is judged under Table A not against the clock with a time limit of two minutes.

In the event of a disobedience, the competitor must restart the course at the obstacle where the error occurred, but may make his/her approach at an angle from outside the space between the obstacles and is not required or allowed to take any of the previous obstacles again.

If an obstacle is disturbed as the result of a disobedience, the procedure in Rule 251.4 must be applied, but no time penalty is incurred.

In the event of equality of faults for first place there will be up to four successive jumps-off not against the clock. The first jump-off must be over all six obstacles, but the course may be reduced progressively for each further jump-off to a minimum of three obstacles by removing in succession first, second and third obstacles.

The Judge at his/her discretion may terminate the competition after the third jump-off. In the event of equality of faults in the final jump-off competitors are placed equal and divide the prize money.

Competitors who withdraw from or retire during a jump-off are placed equal with those who are eliminated in the same jump-off (Rules 203, 204).
